Multiple Choice Questions Reflection

Instructions: 1) Look at the questions you missed on the Unit Progress Check or Assigned College Board MCQ. 2) Complete the chart focusing ONLY on the questions that you missed. 3) **PLEASE group your wrong answers by SKILL Category and then the subset letter**, i.e. all CHAR 1 together, all SET 2 together, all STR 3 together, all NAR 4 together, all FIG 5 together, all FIG 6 together.

Question Number <i>Example:</i> Unit 1 Question #1	What skill is being tested? <i>Example: Character 1.B Explain the function of a character changing or remaining unchanged.</i>	What question associated with the skill is being tested? <i>Example: What provokes a character to change or remain unchanged?</i>	Why was the correct answer the best choice? What concrete detail helped to support the correct answer? What part of your answer choice lead you astray? BE SPECIFIC!
